These same choices will appear on the checkout page in my "Store". When you are ready to place your order, click on "Store" & choose a base type from the list on the left. That will open up the on-line order form (which is identical to your worksheet). Simply copy your selections from the worksheet to the corresponding spaces on the Store order form.

If you want to customize your order with options or material combinations that are not shown on the order form, please e-mail your special instructions to me.

Note: *When ordering online you MUST select one of the options for every choice listed – when the choice does not apply to you, please choose “none.”*

If you have any questions while placing your order or need a custom unit hand-made to your own specifications, please feel free to e-mail me at bob@hatsoffhair.com and I will respond to your query within 24 hours. Thank you!

YOU MAY ALSO USE THIS FORM TO FAX OR MAIL YOUR ORDER.
To place an order, fill out the form in its entirety
and mail/fax it to the address or fax number listed above.
